EXPLANATORY NOTE

LOQ: Limit of Quantification

< LOQ: Below Limit of Quantification

N/A means Not applicable

Sum compounds results are calculated from the results of each quantified compound as set by regulation

In column "Guidelines", "/" means : "the default guideline value, 0.01 mg/kg, applies"

In column "Guidelines", "-" means : the individual compound guideline value is subjected to guideline value of summed compounds

Guideline values are pesticides EU MRLs cited from Regulation (EC) No 396/2005

The result(s) relate(s) only to the item(s) tested and is(are) only for internal use by the client and not for publicly available as evidence.

This analytical report shall not be reproduced except in full, without written approval of the laboratory.

Eurofins General Terms and Conditions apply.

For and on behalf of Eurofins Technology Service (Suzhou) Co., Ltd
